

# WELCOME TO OPEA JOIN TODAY

**The Outdoor Power Equipment Association** was incorporated in the early 1990's to assist and support the manufacturers, distributors and dealers in the industry. Over time the needs of the members have changed and we have responded to provide appropriate assistance.

To support our mission we offer a range of services and assistance to members through:

- ◆ Leadership and cooperation
- ◆ Information via our web site, newsletters, meeting minutes
- ◆ Training apprenticeships/traineeships advice and direction
- ◆ Industry representation to government
- ◆ Advice on regulation changes
- ◆ Best business practice
- ◆ Supply channel performance

## Benefits of Membership

We listen and act on what is important to our members and we encourage members to share their ideas. The **OPEA** demonstrates leadership amongst manufacturers, distributors and dealers in the outdoor power equipment industry sector.

- ◆ Network Opportunities and Annual General Meeting
- ◆ Newsletter and Website
- ◆ Membership Directory
- ◆ Member Surveys
- ◆ Cooperation and support from Industry Associations

**JOIN TODAY** to enjoy the benefits of membership. Complete the overleaf application or visit [www.opea.net.au](http://www.opea.net.au) to log your application online.

## MEMBER TYPES

Manufacturers and importers are **Primary Members**. Service and retailers are **Specialist Dealer Members**. An Individual, partnership or a company registered with an ABN actively engaged in the marketing and promotion of the industry such as publishing groups, magazines, press members etc. (other than wholesale and retail distribution) are **Associate Members**.
