

APPRENTICESHIPS & TRAINING

OPEA in partnership with the Australian Industry Group Apprentice and Trainee Centre can take the hassle out of employing apprentices and trainees. They have a national team of highly qualified Employment and Training Consultants with extensive industry experience.

OPEA will make it easy for you - we focus on making the process quick and simple so we'll have an apprentice in place working for you in no time.

The Apprentice and Trainee Centre hire apprentices to meet your skills needs and then we place them in your business. Your apprentice will be mentored through their apprenticeship.

HIRE AN APPRENTICE TODAY

Why employ your next apprentice through OPEA and AiGTS?

- ◆ Flexible
- ◆ Cost effective – no administration overheads
- ◆ Manage risk easily
- ◆ Saves time

You gain the benefit of having an apprentice or trainee contribute to building the future skills in your business, and industry.

In hiring an apprentice through OPEA and Ai Group's Workforce Development Apprentice and Trainee Centre - you take advantage of our services and support. Including: apprentice recruitment and selection; payroll and administration; apprentice counselling and support; and liaison with training bodies. We do all the work.

APPRENTICESHIPS & TRAINING

Our Training Partners

OPEA has connected with a number of registered training organisations. To locate the provider closest to you, and discuss hiring an apprentice, contact AiGTS today.

Contact us today to discuss how apprenticeships and training can benefit your business. All it takes is a call or email to David Tate at Ai Group Workforce Development Apprentice and Trainee Centre.

Phone: 03 9867 0139

Email: David.Tate@aigroup.com.au

We will do the rest for you including working with you to ensure workplace safety; recruitment and selection; all payroll and employment related responsibilities; and providing additional support for your and the apprentice. To learn more about Ai Group's Apprentice and Trainee Centre success stories visit www.aigroupapprentices.com.au.

The Outdoor Power Equipment Association (OPEA) is dedicated to the sustainability and growth of the outdoor power and equipment industry across Australia. To achieve this, we have developed an apprenticeship with the support of the OPEA Training Sub Committee, dealers, manufacturers and RTO's to meet the needs of the industry, now and for the future.

To learn more about the services OPEA provide visit www.opea.org.au or call 03 9867 0227.
